

Meet the new VRJ.

Milnor's 60 lb. capacity 30022 VRJ provides three ways to save: **time**, **energy** and **water**.

That's good for our environment. And great for you.

Introducing the redesigned model 30022 VRJ. The E-P Plus® controller has pre-programmed wash formulas built right in to save you time. You can modify formulas or create and save up to 30 of your own. Our extra-large cylinder perforation means linens end the cycle retaining less moisture, speeding up dryer times to save energy. Save water with **Milnor's RinSave® Water Saver technology**. The VRJ can even fit through a standard 3'-0" door, which simplifies installation. That's extra savings. But that's what you've come to expect from a Milnor. Isn't it?

Contact an authorized Milnor distributor or call 504-712-7656 to find out more.
