Washer-Extractor Service Seminar

Washer-Extractor Service Seminar

These seminars are condensed into four days, with courses covering a broad range of Milnor washer-extractors. The courses are designed to train personnel in the rapid and accurate diagnosis and repair of field problems. Also, the attendees will gain an overall understanding of how the equipment operates.

These seminars address Milnor washer-extractors ranging in capacity from 20 pounds to 700 pounds, including divided-cylinders and open-pocket designs with microprocessor controls.

Who Should Attend

Any field service, maintenance, plant engineer, operations or management personnel who deal with maintaining, repairing, and operating Milnor washer-extractors in the course of their daily functions, and want to improve their understanding of the equipment.

The course devotes a great deal of time to troubleshooting of electrical controls. Mechanical, pneumatic and hydraulic systems are covered as well.

Overview

Day 1

- Fundamentals of a washer-extractor
- Proper load size based on model
- Milnor Schematics

Day 2

- Data Backup—importance & strategies
- Balancing systems, out of balance protection, & suspension systems
- Water valves, steam valves, pneumatic and hydraulic systems
- Inverters, motors, Autospot™
- Wiring & Troubleshooting Lab Project

Day 3

- Controller Types & Electronic Details
- Milnor Schematics Review

Day 4

- Safety Review
- Troubleshooting Procedures
- Discuss suggested topics in more detail and depth

What's Included

- Access to reference, parts, and electrical manuals for Milnor washer-extractors
- Lunch each day.
- Certificate of attendance.
- Electronic copy of seminar materials.

Registration Details

Enrollment is limited and accepted on a first come, first served basis. Ensure seminar space availability before booking hotel and plane reservations.

The fee for this training is \$600 per person per seminar.

Hotel accommodation and travel are not included in your registration fee. You are entitled to a special group rate at the host hotel. However, hotel reservations should be made at least two weeks in advance. Please use the link on the Milnor website to book with the Milnor rate. We strongly suggest you make reservations as early as possible, since rooms are on a space-available basis, and the rate may increase based on availability.

Deadline for enrollment is one week prior to seminar date. Make any cancellations prior to three days before the seminar start date to avoid \$50 cancellation fee. No refunds will be granted after class begins.

The seminar will be held on Milnor's campus from 8:00AM to 5:00PM each day. Shuttle service from Hilton to Milnor will also be offered each day.
